RE: *GC System, A.S. v. Innova Aerospace Service & Support, LLC, et al*; Cause No. 2018-CI-03330 in the 166th Judicial District Court of Bexar County, Texas

Dear Ms. Marinovova:

I write to commend and thank you for the invaluable assistance you provided to GC System and our Firm in devoting nearly forty full days to preparation and trial as the interpreter for Mr. Radek Kindl.

I had been impressed with your talent, skill and ability as an interpreter since Mr. Kindl was deposed in the Czech Republic two years ago. However, your willingness to leave your home and travel to San Antonio for nearly six weeks speaks volumes to your dedication to your craft. From joining us during our preparation sessions over many days; to interpreting the entire trial as an observer with Mr. Kindl; and finally to joining Mr. Kindl at the witness box to provide consecutive interpretation for a full day of testimony, your preparation and ability was never in question. I have worked with many interpreters in my 43 years of trial practice, but I have never had the distinct pleasure of working with anyone who reached your level of professionalism.

Silvie, I cannot even begin to describe the gratitude I have for your outstanding work. I hope to have the opportunity to work with you in the future; and I welcome any the chance to provide you with any references you may need.

Again, thank you for your professionalism and contribution to what was a very successful trial for GC System.

Very truly yours,

David V. Jones
